NOTE FOR: Mr. Bannerman via Mr. Coffey, Mr. 

Mr.  suggestion on the use of the PATB test seems to be a reasonable one. In essence the parts of the test that pertain to employment screening would be given in a 3-1/2 to 4 hour package in the field; the remainder of the test, including those portions on which you have rather serious questions, would be administered at Headquarters during an invitational visit to Headquarters if the candidate proves to be of interest.
